

ENTREPRENEURS ROUNDTABLE ACCELERATOR

NYC's Entrepreneurs Roundtable Accelerator Announces Participants for its Winter 2018 Program; Ten Companies Receive \$100,000 Investments

New York—January 8, 2018—Entrepreneurs Roundtable Accelerator (ERA) today announced that it has selected 10 startups for its Winter 2018 class, which begins today. The companies selected to participate in the four-month program are innovating in a variety of significant industries, all with businesses primed to grow in New York City.

This is the Accelerator's 14th program. ERA's initial investment in participant companies is \$100,000.

Butler Hospitality is an on-demand platform for room service and amenities. We partner with hotels to transform their restaurant kitchens into Butler-operated food hubs. Hotels improve revenue and realize cost savings; guests use our SMS platform to get the food and amenities they want—charged directly to their hotel bill.

About Entrepreneurs Roundtable Accelerator (ERA)

Based in the heart of Manhattan, Entrepreneurs Roundtable Accelerator is one of New York's leading technology accelerators and early-stage venture capital funds. It has invested in more than 150 start-ups since launching in 2011, helping to build the next generation of great New York technology companies. Its alumni companies, who come from all over the world, are already playing leading roles in the evolution of virtually every major global industry.
